The screenshot shows a terminal window with the same content as the previous one, but with a GitHub sign-in dialog box overlaid. The dialog box has the title "Connect to GitHub" and the GitHub logo. It contains the text "Sign in" and two tabs: "Browser/Device" and "Token". Under "Browser/Device", there is a button "Sign in with your browser". Under "Token", there is a button "Sign in with a code". At the bottom, it says "Don't have an account? Sign up".
